EATON HIGH SCHOOL SONG

In Eaton Indiana there's a high school you'll agree.

We love her well and praise her too, wherever we may be.

Old Eaton with her classic halls and memories so dear,

We'll ne'er forget to glorify, with praises most sincere.

CHORUS

For we are jolly students of our Hoosier land, we've got the sand

We're students of the tried and true.

Old Eaton is the high school we all love so well,

Rah! Rah! Rah! We're the kind who dare and do...

2nd Verse

Old Eaton with her baseball teams, her Glee Clubs and the rest.

Are known through out the country round from North East, South, And West.

Here's to Alma Mater may she live forever more and give the world her gallent men, as she has done of yore.

CHORUS

For we are jolly students of our Hoosier land, we've got the sand,

We're students of the tried and true.

Old Eaton is the high school we all love so well,

Rah! Rah! Rah! We're the kind who dare and do...

Eaton High School Song 1945

Go Eaton Norsemem, on to victory,
We will fight with all our might, and ever
faithful be, RAH RAH RAH.
So to our colors, bring honor praise and fame.
Let's raise the score now, one basket more so
fight and we will win this game.

FACTS ABOUT THE MEMBERSHIP

While gathering information for the membership book, I found out some interesting facts. Our class mates didn't roam too far from home. A total of 407 still reside in Eaton, while 311 ventured south to Muncie. Some 68 traveled on north to the big town of Hartford City. Albany claimed 27 of our graduates, and Gaston can be proud of her 26. Yorktown has 24, and Dunkirk has 26. Fort Wayne has 21, and Indianapolis has 46.

A total of 814 never left Delaware County. And all of 1,258 stayed in good ole Indiana. Of the states, California beconed to 50, and Florida tie with Ohio for 39 each. Michigan claimed 38, and Illinois followed with 28. Arizona has 13 with New York and Wisconsin 9 each.

Other states with one or two representatives, number 27, and a grand total of 35 states being represented.

Only 252 graduates roamed outside of Indiana and 2 left the USA. One in Africa, and one in South America. One in our far state of Alaska too. All in all I'd say we are Hoosiers thru and thru.
